

## Capturing Speed Test

1. On your internet browser go to [www.speakeasy.net](http://www.speakeasy.net)
2. Click on “Go to Speed Test”

The screenshot shows the Speakeasy website homepage. At the top left is the Speakeasy logo with the tagline "A MegaPath Brand". To the right are links for "My Account | Other Logins | Contact Us" and a phone number "Questions? Call 800-556-5829". The main content area is split into two panels. The left panel features the MegaPath logo with the text "Speakeasy is now" above it and "DATA · VOICE · SECURITY" below it. A red button labeled "Go to MegaPath" is at the bottom. The right panel is titled "Speed Test" with the subtitle "The Test Millions Rely On". It features a speedometer graphic over a map of the United States. A red button labeled "Go to Speed Test" is at the bottom. Red arrows point from the "Go to MegaPath" button to the "Go to Speed Test" button, and from the "Go to Speed Test" button to the speedometer graphic.

3. Select the respective area. If you are in the Reno area select “San Francisco, CA”, if you are in the Las Vegas area select “Los Angeles, CA”.

The screenshot shows the Speakeasy Speed Test interface. At the top left is the "SPEAKEASY SPEED TEST" logo. To the right is a "TRY OUR NEW SPEED TEST PLUS" button. Below the logo is a date and time stamp "Friday 20-Jun 2014, 10:33:04 AM" and a user IP address "Your IP: 167.154.116.127". The main content area is split into two panels. The left panel is titled "CHOOSE A LOCATION" and contains a list of cities: Seattle, WA; San Francisco, CA; Los Angeles, CA; Dallas, TX; Chicago, IL; Atlanta, GA; New York, NY; and Washington, DC. Red arrows point from the "RENO AREA SELECT A CITY TO BEGIN THE TEST" text to the "San Francisco, CA" and "Los Angeles, CA" options. Below the list is a "LAS VEGAS AREA" label. The right panel features a speedometer graphic and a "Business Ethernet" advertisement with the text "UP TO 40% OFF" and "See Pricing" button. Below the speedometer is a "Results History" button. At the bottom left is a "Share Speed Test" button with social media icons. At the bottom right is a "Get" button.

4. Let the test run the download and upload speed. Once it has finished running the test it should look similar to this.

The screenshot displays the 'SPEAKEASY SPEED TEST' interface. At the top, it shows the date and time 'Friday 20-Jun 2014, 10:33:04 AM' and the user's IP address 'Your IP: 167.154.116.127'. On the left, there is a 'CHOOSE A LOCATION' menu with options: Seattle, WA; San Francisco, CA; Los Angeles, CA; Dallas, TX; Chicago, IL; Atlanta, GA; New York, NY; and Washington, DC. The main content area features an advertisement for 'Enterprise-Class Email HOSTED EXCHANGE' with the text 'Only \$5.95 Per Mo. + Free Email Migration' and a 'Learn More >' button. Below the ad, the 'YOUR SPEED RESULTS:' section shows a download speed of 1.50 Mbps and an upload speed of 1.35 Mbps. A button below these results says '<< LEARN MORE ABOUT YOUR BROADBAND SPEED >>'. At the bottom of the page, there are social media sharing options (Email, Facebook, Google+, Twitter, LinkedIn), a 'Results History' link, and detailed speed information: 'Download Speed: 1498 kbps (187.3 KB/sec transfer rate)' and 'Upload Speed: 1351 kbps (168.9 KB/sec transfer rate)'. A vertical banner on the right side of the page contains text including 'Lo', 'In', 'BU', 'E', 'Se', and 'Or 86'.

5. You will now need to screenshot your results and send them to Lt. Charles Powell at [cpowell@dps.state.nv.us](mailto:cpowell@dps.state.nv.us)

#### How to take a screen shot

1. Keep your speed results page up. On your keyboard hold down "Shift" and then press "PrtScn" on the top right of your keyboard.
2. Go to your email body page. You can either right click and select paste or use "Ctrl+V" on your keyboard. Your screen shot should now appear on the body of your email.
